Sir :

In response to the Notice to Comply With Requirements for Patent Applications Containing Nucleotide and/or Amino Acid Sequence Disclosures dated August 3, 2005, paper and computer readable forms of nucleotide sequence listings are being filed herewith. Inasmuch as the two-month period for response was set in the Notice To Comply to expire on October 3, 2005, this response is being filed in a timely manner and no fee is believed to be necessary. However, if an extension of time is deemed to be necessary to enter this amendment, the same is hereby requested and the Patent and Trademark Office is authorized to charge any extension of time fees and any other necessary fees for maintaining the pendency of this application to Deposit Account No. 19-0089.

Prior to the examination of the above-identified patent application on the merits, the Examiner is respectfully requested to amend the claims as follows.

Amendments to the Specification begin on page 3 of this paper.

Remarks begin on page 4 of this paper.
